Dedicated and hardworking Junior IT major at DePaul University with a concentration in Web Development. I balance rigorous academics with substantial work commitments, maintaining a 3.5 GPA while working 28-32 hours per week during the school year and 80 hours per week over the summer. Experienced in web development, IT consulting, and customer service. Proven ability to manage time effectively and excel in both academic and professional environments. Seeking an internship to leverage my skills in a practical, fast-paced setting.
